

The Mayor's Town Hall

Your City. Your Money. A plan for the future.

October 16, 2006

Come hear Mayor Dave Bronconnier discuss a new plan for municipal sustainability — using your property tax dollars to pay for local priorities: fire stations, recreation centres, libraries, affordable housing, roads and schools. We must find a way to fund what's needed now, and in the years to come. This plan offers real solutions.

"This plan is a win for The City, the Province, the school boards, and our children. But the biggest winners are the taxpayers—our citizens." - **Mayor Dave Bronconnier**

Talk to your friends, colleagues and neighbours about this Plan for the Future. Speak with your local MLA  or any of the Tory leadership candidates  about keeping property taxes for local priorities.
